

Interested in the Stratton Mountain School Nordic Program? Check out some quick highlights:

SMS Mission: Stratton Mountain School provides a unique environment that offers each student the opportunity to pursue excellence in competitive winter sports and college preparatory academics while developing strong personal values.

SMS Nordic Mission: The SMS Nordic program strives to develop individuals with an appreciation for an outdoor lifestyle and a love for their sport while providing every opportunity for success at the highest levels. We create an environment and provide the tools and education for the student athletes to understand and take ownership of the processes that lead to improvement and success. Nordic skiers at Stratton are expected to be model students, dedicated athletes and exemplary citizens of the SMS community.
