

*The following is a sample of a student's courses by grade level if he or she were to initially enroll at SMS in the eighth grade. Adjustments to student schedules are made based on courses taken before enrolling at SMS as well as course availability. All new students must take a math assessment to ensure proper course placement and some will be asked to take a placement test for Spanish or French.*

### **Sample course sequence for student enrolled at SMS for 5 years (grade 8-12)**

#### **Grade 8**
